

## How to download the PagePlayer App for “Das Leben A1”?

The App contains materials (audio, video, exercises etc.) from your textbook for use in class or individually. Download the above App onto your mobile phone or tablet (iOS or Android) **before your first lecture in the semester**. Do remember to bring your device with the App along with your textbook to each lecture class.

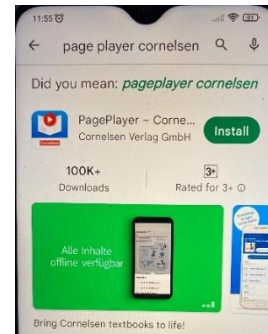

Refer to the Steps and screenshots below for downloading the App.

**Step 1** Search for “PagePlayer – Cornelsen” in the App Store or Play Store. Download and install it onto your mobile device.

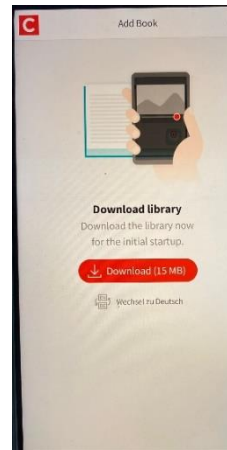

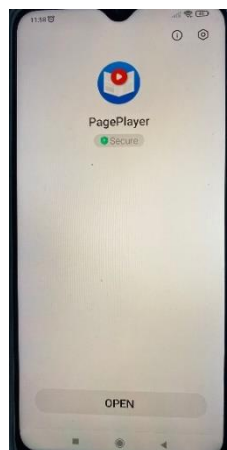

iOS

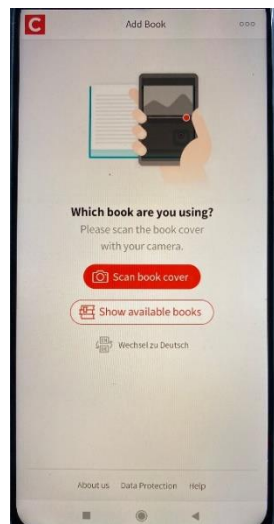

Android

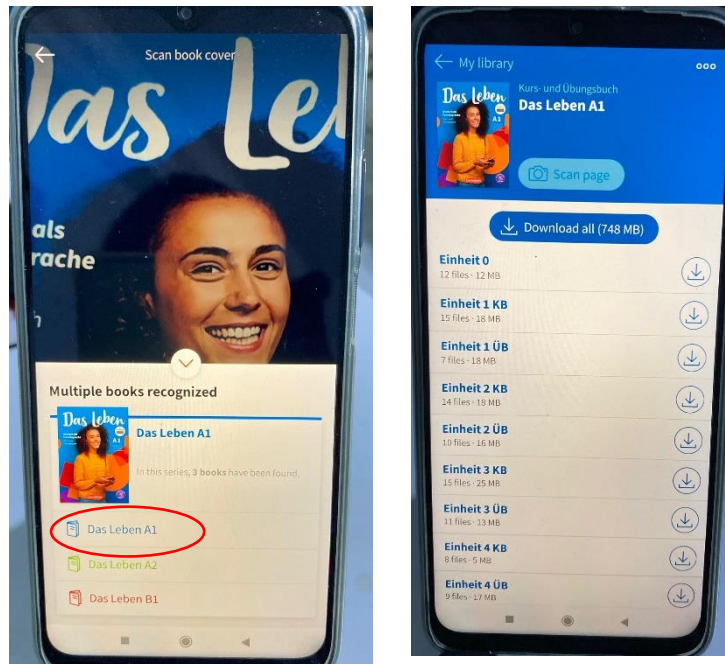

**Step 2** Open the App on your device and download the library for the initial setup. This may take a few minutes.

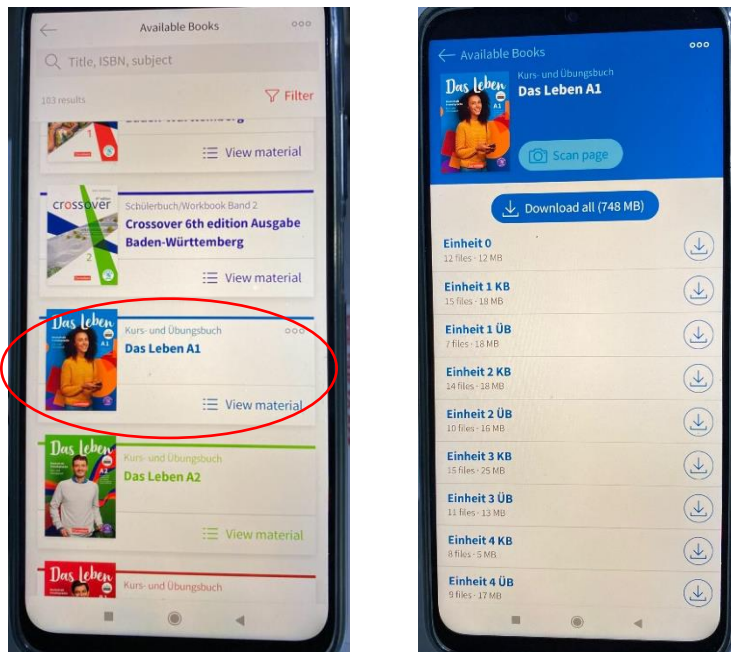

**Step 3** You can either “scan book cover” or click on “show available books”

**Step 4 a)** If you choose to **scan book cover**, you will see the screenshot below left. You can simply click on “Das Leben A1” and find list of contents.

**Step 4 b)** If you choose to **show available books** (refer to the screenshot in Step 3), you will have to scroll down until you see the book title “Das Leben A1” and click on it. The list of content will open up.

**Glossary:**

- Einheit** = unit, chapter
- KB** (Kursbuch) = coursebook
- ÜB** (Übungsbuch) = exercise book;  
work book
